

## Shih Meng Hsin

Shih Meng Hsin (born 1995, Taichung ) graduated from Taiwan National University of the Arts of sculpture in 2018.

Currently studying at the Tainan University of the Arts of Practicing sculpture and space-related installations as his art form.

His recent creations often use the functionality of ready-made objects from daily life to assemble and deform, responding to the Useless space in buildings, allowing objects to have a dialogue with the space.

Shih now lives and works in Tainan.
